DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 19 May 2005 has been entered.
2. Claims 1-10, 16, 19-21, 30, 31, and 34-36 have been presented for examination.

Response to Arguments

3. Applicant's arguments, see pages 11 and 12, filed 19 May 2005, with respect to claims 1-10, 16, 19-21, 30, 31, and 34-36 have been fully considered and are persuasive. The rejection of claims 1-10, 16, 19-21, 30, 31, and 34-36 has been withdrawn.

Allowable Subject Matter

4. The following is an examiner's statement of reasons for allowance:

As per claims 1-10, 16, 19-21, 30, 31, and 34-36, it is well known in the art for a client to choose a server from a list of servers and the server determining whether it is appropriate to fulfill the request based on the client.

There are no teachings in the prior art of the server determining that the server is inappropriate to fulfill the request, sending an error message to the client, the error message identifying the server as being off-line, even though the server is on-line, such that the error message is a false error message, to enable the client to send the request to a next server on the list of servers. Since no teachings or motivation can be found of sending a false error message to

a client in order to enable the client to send the request to another server, claims 1-10, 16, 19-21, 30, 31, and 34-36 are therefore novel and non-obvious.

5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

6. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Christian La Forgia whose telephone number is (571) 272-3792. The examiner can normally be reached on Monday thru Thursday 7-5.
